Paper presentation on Hybrid Mode

GUIDELINES FOR AUTHORS -FULL LENGTH RESEARCH PAPER

The seminar titled “FinTech and Fin Tech-Based Trade & Commerce” aims to provide a dynamic platform for the exchange of innovative ideas, research findings, and technological advancements in the fields of FinTech, Digital Public Infrastructure (DPI), and Responsible Artificial Intelligence (AI). It brings together researchers, academicians, policymakers, industry experts, professionals, and students to discuss emerging trends shaping the future of trade and commerce. The seminar focuses on the role of digital financial technologies, digital public infrastructure, and ethical AI in promoting secure, transparent, and inclusive economic growth. It also explores their impact on financial inclusion, digital governance, entrepreneurship, sustainable business practices, and the achievement of the Sustainable Development Goals (SDGs). The event seeks to foster collaboration between academia, industry, and government to drive innovation and build a resilient, inclusive, and digitally empowered economy.

THE FULL-LENGTH RESEARCH PAPER SHOULD HAVE FOLLOWING SECTIONS

- Abstract
- Introduction
- Objective
- Research & Methodology
- Results & Discussion
- Conclusion
- References
